Mark,

Yes I copy and pasted and only corrected the depths and forgot to correct which well it was.

Sorry,  
Mary

Hi Mary,  
EPA commented on your email from June 30. They noticed a typo regarding the email below:  
The email shows depths for two Speedway Water Works Well 8R. EPA asked if you can confirm that the first set of numbers is for well 7R. please see original email below.  
Thanks
